Required Documentation:
Please see the following information:

Question 6:  
If not a United States citizen required documentation of immigration status.

Question 7:  
Documentation is required to verify physical residence for the 365 days prior to the first day of classes for the semester you are requesting the change. Leases, housing contracts and/or rental agreements are not sufficient documentation. Examples of appropriate documentation are: statements from landlords, copies of each month's cancelled rent checks, copies of titles or deed, etc. If you have previously lived in Kansas and were a resident for tuition purposes and returned to Kansas within 60 months, you may be eligible for resident rates. If this is your situation, please complete the application and include documents verifying the time you previously lived in Kansas.

Question 11(f):  
Documentation is required for this question if you are single and under 18 years of age OR are still claimed as a dependent on your parent's tax return.
Question 12: Documentation required if question is answered yes.
Question 13: Documentation required if you are registered in Kansas.
Question 16: Twelve months refers to the 365-day period prior to the first day of classes for the semester in which you are applying. Documentation of all income listed is required. Include a copy of your most recent pay stub or W-2.
Question 17: Documentation of last state and federal tax returns required.
Question 18: Documentation required if the question is answered yes.
Question 20(a): Documentation required.
Question 21: Documentation required if issued in Kansas.

**Classification Procedures:**
The Kansas Board of Regents governs tuition classification. Classification is a complex process, which can require extensive documentation. Please read the application carefully. Be certain to answer all questions and to attach all requested documentation (see Documentation section above). Failure to complete the application properly can delay a decision in your case, result in an inaccurate decision and may invalidate your application. In reviewing the application, the Assistant University Registrar in the Office of the University Registrar considers the individual situation as presented on the application, and assesses it in relation to the Board of Regents articles. The burden of proof, as represented in documentation attached to the application, lies upon the student. This burden includes provision of convincing evidence of intent to remain in Kansas indefinitely after attendance at the University of Kansas. A decision will generally be reached within 14 working days after an application has been submitted. The student will be notified in writing when a decision has been reached.

**Appeal Procedures:**
If the application is denied, the student has 30 days from the date of the denial letter to submit an appeal to the Residence Appeal Committee. An appeal form will be provided with the denial letter. The committee is made up of 3-5 staff and faculty members of the University who meet periodically to review the outstanding appeals for the Committee. The Committee follows Kansas Board of Regents residency regulations. Appeal dates can be determined by contacting the Assistant University Registrar and appeals should be submitted to the Office of the University Registrar in 151 Strong Hall. The Committee meeting is an open public meeting and the student who submits an appeal to the committee will be notified of the time and date of the appeals meeting. The decision reached by the Residence Appeals committee is the final determination made by the University of Kansas. If the appeal is denied, the student has 30 days from the date the denial letter was received to file an appeal with District Court.
